

Where to eat and stay in Edinburgh, in style

By [Anna Conrad](#), [Millicia West](#) 15 August 2019

Visitors may flock to Edinburgh each August for the stellar line-up of shows and stand-up, but it's the food and drink scene that makes Scotland's capital a must-visit all year round. Here are the restaurants, bars and hotels worthy of a standing ovation...

Bross Bagels

Good bagels are hard to source in the UK, frustratingly hard. Yes, New York reigns supreme when it comes to bagels, but Montreal bagels have their own charm - they're sweeter and thinner. Bross Bagels make their own the traditional way, broiling them. Even though their menu is expansive, try the classic Montreal bagel (with cream cheese, smoked salmon, pickled red onion, capers, dill and lemon - and also add a latke in there for good measure). **105 Leith Walk, Edinburgh EH6 8NP. brossbagels.com**
